Mr. Flint presented the preliminary Special Assessment Methodology Report to the Board. He advised that the report would be revised and redistributed. Discussion ensued.

SEVENTH ORDER OF BUSINESS

Financing Matters – Parcel K

A. Consideration of Engineer's Report

The recording started during this item.

Mr. Vincutonis stated the storm pipes are included in the report, inlets and pipes and that will be owned and maintained by the CDD everything else is being transferred to Toho Water Authority and there is no land to maintain.

Mr. Flint stated the only thing in his report are the things that we can finance. My understanding is there are no private improvements included in the \$1.3 million.

B. Consideration of Master Assessment Methodology

C. Consideration of Resolution 2019-25 Declaring Special Assessments

Mr. d'Adesky stated the revised numbers are 2019-25, which is a declaration resolution that declares assessments on the Parcel K assessment area and relating to the Parcel K tract, which is part of the Windsor development. It approves in substantial form the Engineer's Report and the methodology. There will be minor tweaks to those to make sure they come in line with the documents, correct minor typos, scrivener's errors and it is saying the benefit that is allocated in those parcels is proportionate to the benefit received by the respective improvements. The costs are as laid out in the Engineer's Report and methodology about \$1.3 million for the costs in the engineer's report and then \$1.9 million in the methodology including financing costs and that will come down once we actual issue and get an interest rate and figure out what the real costs are. The attachments to the resolution are the Engineer's Report and Assessment Methodology.

On MOTION by Mr. Franklin seconded by Mr. Stewart with all in favor Resolution 2019-25 was approved.

D. Consideration of Resolution 2019-26 Setting a Public Hearing for Special Assessments

Mr. d'Adesky stated the next one is 2019-26 setting a public hearing and I left the date blank.

Mr. Flint stated it has to be a 30-day mailed notice and it is proposed to be October 2, 2019 at 11:00 a.m. in this location.

Mr. Rowan stated that would work and we can complete the assessment process and then mail right after that and close prior to the end of the month.

Mr. Flint stated if the board is okay with October 2nd we will insert that date in the resolution.

On MOTION by Mr. Stewart seconded by Mr. Rivera with all in favor Resolution 2019-26 setting the public hearing for October 2, 2019 at 11:00 a.m. in the same location was approved.

EIGHTH ORDER OF BUSINESS

Staff Reports

A. Attorney

Mr. d'Adesky stated we are just working on the issuance.

B. Engineer

Mr. Vincutonis stated I'm working on the Calabria bonds.

Mr. Flint stated the president of the HOA in Calabria express concerns about the water levels in their pond and questioned whether there may be some blockage in the outfall that goes into the wetlands. The wetlands are under water right now where the outfall is you can't even see it and that tells me that is probably why the level maybe staged up in their pond higher than what they normally see, but it is still below the control elevation. We believe it is just that the downstream water staged up. We are looking to see if we can find some historical lake levels for Lake Davenport. We are hoping to hold off on anything until the water levels drop and the outfall structure is exposed. It is a bubble up structure and they are notorious for silting up because there is no way to flush them, but we can't see the structure right now. We will take a closer look once it starts to dry out and keep an eye on it.

Mr. Ruedas asked is there anything new with the Toho reuse issue?

Mr. Flint responded I have not heard anything. The rain has helped but it is the same story, I think I saw a follow-up email from Mattamy to them continuing to express concern and we have the kind of canned response that they are continuing to look at it.

Mr. Ruedas stated we are looking at a few bills on replacement of landscaping that we lost and I'm not exactly sure how we are going to deal with that yet with Toho. We don't want to be in the same position next year when we get into the dry season again.

Mr. Flint stated the common area landscaping is recovering although it is apparent there is thin turf and things like that we are dealing with that are a result of that drought period.

C. Manager

i. Approval of Check Register

Mr. Flint presented the check register from June 27, 2019 through August 1, 2019 in the amount of \$25,635.27.

On MOTION by Mr. Franklin seconded by Mr. Stewart with all in favor the check register was approved.

ii. Balance Sheet and Income Statement

A copy of the balance sheet and income statement were included in the agenda package.

iii. Approval of Fiscal Year 2020 Meeting Schedule

Mr. Flint stated we have prepared a schedule for the first Wednesday of the month with the exception of January, which falls on January 1st and we deleted that meeting.

Mr. Ruedas stated why don't we schedule it for January 8th and if there is no business to conduct we can cancel it at that point, but at least we can calendar it.

Mr. Flint stated okay.

On MOTION by Mr. Stewart seconded by Mr. Rivera with all in favor the Fiscal Year 2020 meeting schedule reflecting meetings on the first Wednesday of the month was approved with the exception of the January meeting being January 8, 2020.

iv. Discussion of Direct Bill Status

A copy of the direct bill status was included in the agenda package.

NINTH ORDER OF BUSINESS Supervisor's Requests

Mr. Ruedas stated we tabled Resolution 2019-20 at the last meeting. What do we need to do for that? I believe it is related to the Solara Phase II Replat and the cleanup of CDD property that was replatted.

Mr. d'Adesky stated we already have authority to fix the pond issue. I'm comfortable with that being handled outside through previously delegated authority to fix that. To what extent do you have the plat right now that needs to be approved and recorded?

Mr. Ruedas stated it has already been recorded.

Mr. Flint stated we can bring it back to the September meeting. All this was doing was ratifying the conveyance and the reason you didn't act on it was because it wasn't ready and hadn't been recorded yet but the authority to do it had been previously approved.

Mr. d'Adesky stated I don't think I have seen the recorded version of that so if you could send that to me I can finalize the documents and get those to you and get those executed.

Mr. Ruedas stated I believe several people were sent that recorded plat including Mark, George and others.

Mr. d'Adesky stated I have the documents drafted it is just plugging in the book and page numbers.

TENTH ORDER OF BUSINESS

Other Business

There being none,

On MOTION by Mr. Stewart seconded by Mr. Franklin with all in favor the meeting adjourned.

WHEREAS, Westside Community Development District (the "District") is authorized by Florida Statutes, Chapter 190 (the "Act") and Ordinance No. 04-34 and Ordinance No. 07-19 of Osceola County, Florida, (collectively, the "Ordinance"), to issue its Bonds (as defined in the Master Indenture as defined below) for the purpose of acquiring and constructing assessable improvements all as provided in the Act and the Ordinance; and

WHEREAS, the Bonds were validated by final judgments rendered by the Circuit Court in and for Osceola County, Florida on March 30, 2005 and September 4, 2007; and

WHEREAS, the District now desires to supplement the First Resolution, to authorize the issuance of and award the sale of its Special Assessment Revenue Bonds, Series 2019 (Windsor Parcel K) (the "2019 Bonds") in a principal amount not exceeding \$1.94 million, to approve the Supplemental Indenture (hereinafter defined) and to provide for various other matters relating to the issuance of the 2019 Bonds; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF WESTSIDE COMMUNITY DEVELOPMENT DISTRICT, as follows:

SECTION 1. Definitions. All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meaning ascribed to them in the Indenture (hereinafter defined).

SECTION 2. Authorization. There is hereby authorized to be issued the 2019 Bonds in a principal amount not exceeding \$1.94 Million. The 2019 Bonds shall be issued under and secured by that Master Trust Indenture dated as of February 1, 2005 (the "Master Indenture") as supplemented by that Seventh Supplemental Trust Indenture (the "Supplemental Indenture") both by and between the District and U.S. Bank National Association, as trustee (the "Trustee") (the Master Indenture and the Supplemental Indenture are referred to collectively as the "Indenture"). The proceeds of the 2019 Bonds shall be used for the purposes set forth in the Supplemental Indenture and the Limited Offering Memorandum (hereinafter defined).

SECTION 3. Approval of Supplemental Indenture. The Supplemental Indenture is hereby approved in substantially the form set forth as part of Exhibit A hereto and the Chairman or the Vice Chairman of the Board are hereby authorized and directed to execute and deliver such Supplemental Indenture on behalf of and in the name of the District and the Secretary or any Assistant Secretary of the Board is hereby authorized to attest such execution, with such additions and deletions therein as may be made and approved by the Chairman or the Vice Chairman executing the same, such execution to be conclusive evidence of such approval. The Trustee is hereby appointed to serve as Trustee, Bond Registrar and Paying Agent under such Supplemental Indenture.

SECTION 4. Negotiated Sale. The Board hereby determines that a negotiated sale of the 2019 Bonds to the Underwriter is in the best interest of the District because of prevailing market conditions, because delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the 2019 Bonds at presently favorable interest rates, and

because the nature of the security for the 2019 Bonds and the sources of payment of debt service on the 2019 Bonds require the participation of an underwriter in structuring the bond issue.

SECTION 5. Contract Approved. The Board hereby approves the Contract submitted by the Underwriter in substantially the form attached as **Exhibit B** hereto. The Chairman or Vice Chairman of the Board is hereby authorized to execute the Contract and to deliver the Contract to the Underwriter with such changes, amendments, modifications, omissions and additions as may be approved by the executing Chairman or Vice Chairman; provided that (i) the principal amount of the 2019 Bonds shall not exceed \$1,940,000; (ii) the interest rate on none of the 2019 Bonds will exceed the maximum allowable interest rate under applicable Florida law without regard to any waiver of such limit; (iii) the Underwriter's discount shall not exceed the greater of two percent (2.0%) of the principal amount of the 2019 Bonds or \$50,000; (iv) the 2019 Bonds shall be subject to optional redemption no later than May 1, 2029 at a Redemption Price not in excess of 100% of the principal amount to be redeemed plus accrued interest to the redemption date and (v) the final maturity date of the 2019 Bonds shall be no later than May 1, 2050.

SECTION 6. Preliminary Limited Offering Memorandum and Limited Offering Memorandum. The District hereby approves the Preliminary Limited Offering Memorandum in substantially the form attached hereto as Exhibit C (the "Preliminary Limited Offering Memorandum") and authorizes its distribution and use by the Underwriter in connection with the offering for the sale of the 2019 Bonds. If between the date hereof and the mailing of the Preliminary Limited Offering Memorandum it is necessary to make insertions, modifications and changes to the Preliminary Limited Offering Memorandum, the Chairman or Vice Chairman is hereby authorized to approve such insertions, changes and modifications, and, the Chairman or Vice Chairman is hereby authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") under the Securities Exchange Act of 1934, in the form as mailed and in furtherance thereof to execute a certificate evidencing same. The preparation of a final Limited Offering Memorandum is hereby approved and the Chairman or Vice Chairman is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the 2019 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the 2019 Bonds. The Limited Offering Memorandum shall be substantially in the form of the final Preliminary Limited Offering Memorandum, with such changes as shall be approved by the Chairman or Vice Chairman as necessary to conform to the details of the 2019 Bonds and such other insertions, modifications and changes as may be approved by the Chairman or Vice Chairman. The execution and delivery of the Limited Offering Memorandum by the Chairman or Vice Chairman shall constitute evidence of the approval thereof. The District hereby authorizes the use of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the 2019 Bonds.

The 2019 Bonds shall be in substantially the form as set forth in the exhibit to the Supplemental Indenture, with such additions, deletions and other changes thereto as the officials of the Board executing the 2019 Bonds shall approve, such approval to be conclusively evidenced by the execution of the 2019 Bonds (by manual or

facsimile signature) by such officials. The Board hereby authorizes and approves the use of a facsimile of the District seal on the 2019 Bonds.

SECTION 8. Continuing Disclosure Agreement. The form and content of Continuing Disclosure Agreement (the "Disclosure Document") relating to the 2019 Bonds attached hereto as Exhibit D is hereby approved. The Chairman or Vice Chairman and the Secretary or any Assistant Secretary are hereby authorized to execute on behalf of the District the Disclosure Document in substantially the form attached hereto, with such additions, deletions, and other changes as may be necessitated by applicable law, this Resolution and the Contract as such officers may approve (such approval to be conclusively evidenced by their execution of the Disclosure Document).

SECTION 9. Open Meetings. It is hereby found and determined that all official acts of this Board concerning and relating to the issuance, sale, and delivery of the 2019 Bonds, including but not limited to adoption of this Resolution, were taken in open meetings of the members of the Board and all deliberations of the members of the Board that resulted in such official acts were in meetings open to the public, in compliance with all legal requirements including, but not limited to, the requirement of Florida Statutes, Section 286.011.

SECTION 11. Approval of Prior Actions. All actions taken to date by the members of the Board and the officers, agents, and employees of the District in furtherance of the issuance of the Bonds are hereby approved, confirmed and ratified.

SECTION 12. Inconsistent Resolutions and Motions. All prior resolutions of the Board inconsistent with the provisions of this Resolution are hereby modified, supplemented and amended to conform with the provisions herein contained and, except as so modified, supplemented and amended hereby, shall remain in full force and effect.

SECTION 13. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.
