FOURTH ORDER OF BUSINESS

E. Consideration of Resolution 2026-03 Electing Officers

Mr. Showe noted that the Board had no nominations at this time to fill the vacancy on the Board. Items B, C, D, and E were tabled to a future meeting agenda.

FIFTH ORDER OF BUSINESS

**Consideration of Resolution 2026-04
Approving Proposed Fiscal Year 2027
Budget and Setting a Public Hearing**

Mr. Showe stated Resolution 2026-04 approves the proposed Fiscal Year 2027 budget, sets your public hearing for your July meeting and directs us to transmit this to Ocoala County and post it on the website. We were able to keep assessments level. Staff is recommending an increase in the lake and wetland maintenance line and have increased that to \$100,000.

**Mr. Jackson joined the meeting at this time.*

Mr. Showe stated even with that change we still have a healthy capital reserve. The increase is based on additional mitigation on some wetland areas that we didn’t have in prior year budgets. We would like to keep it at this amount in case any other areas come online. We are also transitioning some other areas in the future that might increase that line.

Mr. Wright stated Aquatic Weed Management that has been doing all the treatments would be doing 12 of the ponds as well as the conservation area treatment which is separate from this amount. They are doing their monthly treatment but we are having breakouts of plankton, algae and they are using additional chemicals. They haven’t raised prices in several years. It is not an unreasonable request. The two ponds in Caribe Cove would be managed by Lake Doctors. Lake Doctors has been treating this for the Caribe Cove HOA.

On MOTION by Mr. Stewart seconded by Mr. Franklin with all in favor the donation of the parcel to the county for the signalization was approved.

EIGHTH ORDER OF BUSINESS

Discussion of Additional Expenditure for Consulting Engineer

Mr. Showe stated we have a lot of issues going on with Pond 4 and the consulting engineer is getting very close to the end of his authorized expenses. I think he was looking for an extra \$10,000.

On MOTION by Mr. Franklin seconded by Mr. Stewart with all in favor an additional \$10,000 was approved for the engineering line item.

NINTH ORDER OF BUSINESS

Presentation of Arbitrage Reports

Mr. Showe stated next is presentation of the arbitrage report for the series 2018 bonds. We are required annually to present you with arbitrage rebate calculations. We are required to test if we are making too much in interest on the bonds. Based on this report, no liability exists so we are in compliance. There is no action from the board, we just present that report to you.

TENTH ORDER OF BUSINESS

Staff Reports

A. Attorney

Mr. Lazarovich stated my only update this month is regarding pond 4. We sent another follow-up to the group this morning, we were told on March 12th that we would get some revised plans or they would address the plans that have been in circulation for about a year. They kept saying revised plans were sent but we told them they are not incorporating our comments. We had our litigator reach out this morning and gave them a week to respond. I hope to have a substantial update next month.

One item to note with regard to that same pond, there was a request from the water management district of the permit transfer. Jason had discussed an extension with the water management district, and we are hoping that will give us about 60 days to get that turned over.

Mr. Showe stated they gave us a lot of things; we have done all of them except accept the permit at this point, which given the circumstances of that pond we don't feel comfortable accepting that permit. The water management district understands so they said basically every

60-days we have to email them and explain what is going on and they will likely continue to extend it.

B. Engineer

Mr. Malave stated we are continuing to assist in whatever we can and getting ready to do our stormwater inspections for the year. I'm open for any questions.

C. Field Manager's Report

Mr. Wright reviewed the field management report, copy of which was provided in the agenda package.

D. Manager

i. Approval of Check Register

On MOTION by Mr. Stewart seconded by Mr. Franklin with all in favor the check register was approved.

ii. Balance Sheet and Income Statement

A copy of the balance sheet and income statement were included in the agenda package.

iii. General Election Qualifying Period and Procedure

Mr. Showe stated three seats will be up for election this year through the general election. Seat 4 which is Mr. Franklin, Seat 5 which is Mr. Stewart and Seat 3, which is Mr. Jackson. The qualifying process is there for you, you have to go to the supervisor of elections to qualify and the qualifying period is from noon June 8th through noon June 12th. If no one qualifies for those seats we will prepare resolution to allow those board members to hold over until a qualified elector is found.

ELEVENTH ORDER OF BUSINESS

Supervisor's Requests

There being no comments, the next item followed.

TWELFTH ORDER OF BUSINESS

Other Business

There being no comments, the next item followed.

THIRTEENTH ORDER OF BUSINESS Adjournment

Certificate of Assessment Administrator

Date: April 27, 2026

Bond Issue: \$2,285,000 Special Assessment Revenue Bonds, Series 2005-2
CUSIP Number: 96149TAF3

Bond Issue: \$715,000 Special Assessment Revenue Bonds, Series 2007-2
CUSIP Number: 96149TAH9

The undersigned certifies that it is the Assessment Administrator for the Westside Community Development District (“District”). With the consent and direction of the bondholders, the District bifurcated the Special Assessment Revenue Bonds, Series 2005 (the “Series 2005 Bonds”) and Special Assessment Revenue Bonds, Series 2007 (the “Series 2007 Bonds” and together with the Series 2005 Bonds, the “Bonds”) to restructure the Series 2005 Bonds and the Series 2007 Bonds by bifurcating each Series as follows (collectively hereinafter referred to as the "Restructuring"): (i) the Series 2005 Bonds into the (A) Unexchanged Series 2005 Bonds, (B) Cancelled Series 2005 Bonds, and (C) Series 2005-1 and Series 2005-2 Bonds, (ii) the Series 2007 Bonds into the (A) Unexchanged Series 2007 Bonds, (B) Cancelled Series 2007 Bonds, and (C) Series 2007-1 and Series 2007-2 Bonds, as the Restructuring is described generally in the Information Memorandum dated April 19, 2019 posted under each bond series on Electronic Municipal Market Access (“EMMA”) and in accordance with the following bond documents, including, but not limited to: the Amended and Restated Second Supplemental Trust Indenture dated as of April 1, 2019, between the District and the Trustee, and the Amended and Restated Third Supplemental Trust Indenture dated as of April 1, 2019, between the District and the Trustee, a Bondholder Consent and Direction to Trustee dated April 17, 2019., a Bifurcation Reallocation Assessment Report for Westside Community Development District dated April 11, 2019, and a number of other documents and certificates.

As a part of the Restructuring, the Series 2005-2 Bonds and the 2007-2 Bonds (the non-performing bonds) were secured by debt assessments levied on two properties which were in default and identified as Osceola County ID parcel 18-25-27-3160-000A-0080 which was assessed based on a plan for 147,000 square feet of commercial space (the “Commercial Parcel”) and

Osceola County ID parcel 07-25-27-5461-0001-0015 which was assessed based on a plan for 236 Townhome Units (the "Townhome Parcel").

At the time of the Restructuring the Commercial Parcel was owned by Westside CDD Holdings, LLC, a special purpose entity established by the Bond trustee to own, maintain and market the property for sale after title was obtained at foreclosure sale resulting from delinquent operation and maintenance and debt service assessments. The sale proceeds were pledged to the repayment of the Series 2005-2 Bonds and the Series 2007-2 Bonds and represented the only security for the repayment of the those bonds; the sale proceeds were insufficient to redeem the full amount of the Series 2005-2 Bonds and the Series 2007-2 Bonds allocated to the Commercial Parcel. The annual debt assessments levied on the Townhome Parcel were also insufficient to redeem the full amount of the applicable nonperforming bonds due to prior years' mandatory principal and interest payments not being made and the shortened time period until maturity of those bonds..

To bring the Series 2005-2 Bonds and the Series 2007-2 Bonds into "balance" (i.e., to reduce the outstanding balance of those bonds to match the amount of the assessments that are levied on these two parcels) to cure the default of those bonds a for the remaining term of the Series 2005-2 Bonds and the Series 2007-2 Bonds, the sole bondholder has agreed to the cancellation of a an amount of the Series 2005-2 Bonds and the Series 2007-2 Bonds to a level so that the remaining mandatory principal and interest payments will be equal to or are less than the remaining annual debt assessments which secure the repayment of those bonds.. See Attached Exhibit "C."

The Bond Trustee has provided the attached Exhibit "A" to evidence the calculations to determine the amount of the outstanding non-performing bonds that must be cancelled to allow the outstanding Series 2005-2 Bonds and Series 2007-2 Bonds to become "performing bonds" no longer be in default. As the Assessment Administrator for the District, we prepared the attached Exhibit "B" establishing the annual debt service for the Series 2005-2 Bonds and the Series 2007-2 Bonds for the District's Fiscal Year 2027 and the bond debt amortization tables for each of the bond series. After the Series 2005-2 Bonds and Series 2007-2 Bonds are cancelled in the amount so designated, the bonds will no longer be in default.
